Head Teachers News

What an action packed couple of weeks we have had here at school. Odd socks day started our week last week which we joined with other schools across the area focusing on Anti-Bullying, with the message of Reach Out. We followed this this week in assembly by reflecting on what Friendship looks like and the qualities we require to be a good friend. I was incredibly impressed by the children's responses such as: loyalty, compassion, understanding and honesty to name but a few. As a school, and led by the school council, we are going to be exploring our thoughts around values which underpin our motto of SHINE, settling on 3 which will form our core values of the school. We will share these with the wider community in the coming weeks.

This week has been equally eventful with a visit from an INSPIRATIONAL visitor in assembly and the Lower School and Buccaneers visiting the panto in Chipping Norton. Great fun was had by all and a huge thanks to the team in the giving of their time to enable this to happen. I also felt incredibly proud when 2 separate members of the audience approached me to say how impressed they were with the children and their superb behaviour during the panto – they were a real credit.

The school is now filled with Christmas singing and a buzz is in the air as the classes are busily preparing for their Christmas nativities and carol concerts. We may still be in November, but is beginning to feel a lot like Christmas!

Have a wonderful weekend.

SHINE

This week we were **INSPIRED** by Mr Smith (a parent) who came to talk to the children about his 100km race across the Sahara desert over a period of 4 days. His story of perseverance inspired the children; thank you Mr Smith for sharing that with us.
