

Brize Norton Primary are joining the moo-vement and sponsoring an Ox for the streets of Oxford in support of Sobell House. We have set a fundraising target of £300 which Jayne and Chris Woodward from Chapel Hill Projects have kindly agreed to match fund.

ART TRAIL

Ready to 'hoof' loads of fun next summer? For eight extraordinary weeks, Oxford's city streets will be home to over 30 bold and beautiful ox sculptures. Each unique ox will be intricately designed by local and international artists.

As part of being a part of the moo-vement, and raising sponsorship for the life size ox's to be created by talented artists and display around Oxford for all to see, our school will also get it's very own ox for the children to design and decorate which will then make up a mini herd in the local area which can also be viewed.

Following the successful Christmas Cracker Draw we previously held, we are going to be hosting a **FUN RUN** for all the children on the **26th March**. *Children will be invited to wear an outfit which signifies someone that inspires them or of what they aspire to be when they are older.* Before the fun run, they will share their ideas behind their outfits with their class. In each class, an Easter Egg will be awarded to the best presentation – chosen by the staff. Children will then take part in a fun run where they will run 10 laps of the recreational field. For each lap, they will collect an Easter sticker – 10 laps and they are rewarded with an Easter Egg. School PE kit is to be worn by those who do not wish to dress up.

Please join in the fundraising effort by sharing the JustGiving link: <https://www.justgiving.com/crowdfunding/BrizePrimary-EasterFunRun-OxTrail> or by donating some pennies to motivate and support your children. We are looking forward to this fun event to round off the Spring Term.

Many thanks in advance for your support.
