

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
<ol style="list-style-type: none"> 1. Forest school available to all children from Reception to Year 6 2. OPAL introduce so all children able to engage in physical activity at morning and lunch playtimes 3. PE lessons were adequately resourced to fulfill the curriculum requirements 4. PE curriculum is progressively mapped out so children remember more and know more, building on their skills. 5. Swimming lessons to increase the numbers of pupils who leave Y6 water confident and able to swim 25m. 6. All year groups participated in partnership level PE/Sport enrichment activities 7. PE lead to work towards meeting the Gold Games Mark Criteria 8. Ensure that all staff plan high quality and engaging PE learning opportunities and what 	<ol style="list-style-type: none"> 1. Children all engaged and enjoy forest school sessions. 2. Children actively involved at playtimes – level of engagement is high. 3. Lessons were taught with adequate resourcing 4. Intent of Curriculum is clear with implementation in progress 5. 75% met end of KS2 swimming requirements. 6. Burford partnership events attended 100% of children Year 2 and above. 100% SPP & PP, 81% SEN 7. Gold Mark Achieved 8. Planning has been created which takes a 3 tier challenge approach to include the yr 	<p>Forest School continues to be a unique selling point of the school with pupil voice showing positive impact.</p> <p>The Intent of the PE curriculum is clear with clear progression mapped out meeting DFE expectations. Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Forest school to be available to all children from Reception to Year 6 ensuring sessions are resourced	Forest School Teacher Pupils	Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils.	All children have the experience of forest school, growing in independence, self-risk assessment and safety in the outdoors. USP of school.	£7500 – staffing costs
All children engage in physical activity at morning and lunch playtimes	Play time supervisors Pupils PE Lead	Key Indicator 2: Engagement of all pupils in regular physical activity.	Children enjoy playtimes meeting their daily physical activity goal, more pupils encouraged to take part in through OPAL. Continued training through OPAL programme.	£2000 – resources
To continue to ensure that PE lessons are adequately resourced to fulfill the curriculum requirements	PE Lead Class teachers Pupils	Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils.	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities. Further audit of resources linked to new curriculum.	£500 – PE equipment
Monitor the implementation of the PE curriculum to ensure its Intent is implemented and	Headteacher Class teachers PE Lead Children	Key Indicator 1: Increased confidence, knowledge and skills of all staff teaching PE and sport.	PE provision is no less than GOOD. Increased outcomes at inter-school partnership events. New PE Lead with shadowing of previous lead.	£500 – cover and release time.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<p>Forest school to be available to all children from Reception to Year 6 ensuring sessions are resourced</p>	<p>Pupil voice and parent voice (in free text) is strong around our forest school provision. All children benefit from the wider development this provides.</p>	<p>This provision is to continue to further develop children within our setting.</p>
<p>All children engage in physical activity at morning and lunch playtimes</p>	<p>All children have access to our OPAL playtimes – behaviour and first aid incidents have declined since the implementation and pupil voice is strong around our provision.</p>	<p>In October 2024 we will receive our graded accreditation linked to this initiative. We are aiming for GOLD.</p>
<p>To continue to ensure that PE lessons are adequately resourced to fulfill the curriculum requirements</p>	<p>Resources have been purchased to ensure that the intent of the curriculum is fulfilled. All lessons are resourced adequately.</p>	<p>Further monitoring of this is required to ensure resources are purchased due to wear and tear.</p>
<p>Monitor the implementation of the PE curriculum to ensure its Intent is implemented and there is positive impact in attainment through learning walks and feedback.</p>	<p>Monitoring of PE has proved to show that the implementation of our Intent is having impact on children. Learning walks show this is the case. New assessment proforma in place to track attainment for children.</p>	<p>Continued monitoring is to take place to ensure the implementation continues to match our intent.</p>
<p>Cycling proficiency training offered to all children in Years 5 & 6</p>	<p>100% of children who undertook cycling passed with Level 2 – the highest level.</p>	<p>Cycling proficiency is to continue as having impact with regards to outcome and safety awareness.</p>

<p>KS2 children participate in Partnership tournaments with potential to reach district and county finals.</p> <p>To embed intra-competitions within the curriculum as well as a dedicated Sports Week.</p> <p>All year groups participate in partnership level PE/Sport enrichment activities</p> <p>To further increase the numbers of pupils who leave Y6 water confident and able to swim 25m.</p> <p>To ensure confidence and quality in the provision of teaching swimming through staff CPD.</p>	<p>We reached county finals this year in cross country and cricket – all partnership events were attended.</p> <p>Intra competitions have been embedded within provision which helped us secure the Platinum Mark for School Games.</p> <p>All events attended – groups of children monitored for attendance.</p> <p>85% of children left year 6 water confident and able to swim 25m. This is an increase from 79% in the previous year,</p> <p>3 members of the team undertook swimming CPD who required it.</p>	<p>Continued participation in partnership events is scheduled for next year.</p> <p>Children enjoyed the intra sports events and Sports week was a success. 1 Y6 child signed up to a new out of school Basketball club as a result.</p> <p>This is to continue.</p> <p>This is to continue. Those who do not pass in y6 offered additional lessons after the fact with other classes.</p> <p>New staff joining the team in 2024-2025 will attend the CPD who require it.</p>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	85%	<i>1 child does not attend school and received alternative provision so did not attend the swimming lessons.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	95%	<i>1 child does not attend school and received alternative provision so did not attend the swimming lessons.</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>95%</p>	<p><i>1 child does not attend school and received alternative provision so did not attend the swimming lessons.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>No</p>	<p>Next year, we will be changing the way we deliver swimming to ensure that children who do not pass in year 6 have the opportunity to attend additional lessons after their set year group lessons,</p>
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes</p>	<p>3 members of the team took part in training.</p>
