Permanent/Full Time Post

We SHINE for ourselves and each with Kindness.

We are a community school that is founded on relationships and believe whole-heartedly on the importance of making connections with our children as well as with one another. We are a small school with a HUGE heart who value and support one another as members of our family. As a school, we have a strong commitment to outdoor learning with our children receiving forest school sessions and the team utilizing our outdoor space for other learning opportunities. A walk round the school is highly recommended to see our site and feel the ethos we hold dear. It truly is an energizing time to join a team if you are passionate about making a difference, thinking about your own professional growth and development and want to actively have an impact on shaping the educational and social experiences of young people.

We are a village school comprising of one reception class of 20 children and four mixed year group classes of no more than 30. Our hardworking teachers are well supported by school leaders and a team of skilled support staff. We have strong links with our local community, including the RAF base and our families are incredibly supportive of the school and what we intend to achieve.

We are looking for an inspirational teacher to join our dedicated teaching team from September 2025. We are particularly seeking applications from experienced teachers, but will welcome applications from those new to the profession as well.

- Has high expectations of themselves and the children: is consistent, connected and calm
- Is a team player who gets fully involved in the life of the school
- Can enable all of our children to SHINE
- Is a reflective practitioner who is invested in being the best version of themselves
- Has a wonderful sense of humour and a 'can do' attitude.

- Support and CPD opportunities to develop you professionally provided by ODST (Academy Trust)
- A strong local partnership of schools working effectively together to enhance learning
